

1.- IMPROVEMENT OF THE BEACH INFRASTRUCTURES

- Installation of new wooden walkways.
- Purchase of a new storage shed for Pobla Marina beach.
- Replacement of the flush mechanisms in the toilets of public lavatories and municipal buildings.

2.- IMPROVEMENT OF THE ACCESSIBILITY AND ENVIRONMENTAL QUALITY OF ACCESSIBLE POINTS

- Replacement of the flooring in accessible showers with removable concrete flooring.
- Renewal of accessible equipment: two amphibious chairs, two walking frames, an amphibious crutch rack and flotation aids.
- Use of Navilens codes.
- Increasing the number of user satisfaction surveys at accessible facilities.
- Marking the accessible route on the North Beach with identifying paint and signage.

3.- IMPROVEMENT OF THE BEACH SERVICES

- Opening of the information point on Paseo Colón.

4.- IMPROVEMENT OF CONNECTIVITY AND INFORMATION

- Wifi connection for users of the tourist office and the information point on Paseo Colón.
- Installation of a solar-powered mobile phone charging station in Plaza Cortes Valencianas

5.- IMPROVEMENT OF THE WASTE SEGREGATION

- Carrying out environmental awareness campaigns.

6.- IMPROVEMENT OF THE SUSTAINABLE URBAN MOBILITY

- Installing a bicycle repair kit in Plaza Italia.

- Rescue, lifesaving and first aid services schedule from 11 am to 19 pm and Basic Life Support Service.
- Assistance for people with reduced mobility: equipped with access walkways, a dressing room, adapted shower and toilet, shaded area, amphibious chairs, walkers, water crutches and reserved parking area, among others. Served by specialized staff from 11 am to 7 pm.
- Citizen service and surveillance of the Local Police.
- Cleaning and maintenance service of beaches, infrastructures and facilities (toilets, footshowers, playgrounds, etc.).
- Information service through accessible panels and Tourist Information (Italy Square and Colon Promenade, next to Health Post). In case you want to consult the hygienic-sanitary risks, you can do it in the offices of the City Hall. See the other facilities in the plan of resources and services on the back.
- Lost and found service is provided by the Local Police.

COMMITMENTS

- Response time of the rescue and lifesaving service from the location of the incident to its attention less than 4 minutes.
- Response time of the police surveillance service from the notification of the incident to the intervention of the agents less than 5 minutes.
- Daily emptying of the bins and containers of selective collection.
- Biweekly analysis of the quality of bathing water during the high season.
- Analysis of the presence of fungi in showers and footshowers.
- Existence of an environmental health-hygiene emergency plan in which action protocols are collected during episodes that entail risk for beach users (discharges of polluting substances, marine pests, etc.). It will be informed by hoisting the red flag and through the sound systems.
- Informational flag hoisting about the state of the sea according to weather conditions or environmental health-hygiene risks: GREEN FLAG: optimal state, YELLOW FLAG: caution, RED FLAG: swimming is prohibited, JELLYFISH FLAG: it indicates the presence of jellyfish.
- Management of complaints of users in the shortest possible time.
- Carrying out satisfaction surveys on the state of the beach and the services offered.

COMPLAINT SYSTEM AND SUGGESTIONS

- If you have any suggestions, complaints or requests for information about the services provided on the North Beach of La Pobla de Farnals, you can inform in writing on the Tourist Info located in Plaza Italia, the Health Post or the entry register The City Hall. We will be pleased to assist you.
